Shrimparoo and workday!

Saturday August 20th will be a busy day at the club! We will start at **9am** with a work/clean up day. We plan some pier repairs, building siding replacement, light electrical work, painting, and general clean up. Bring a hammer, screwdriver, rake, wheelbarrow, paintbrush, broom, or any other tool you are qualified to operate and join in preserving the club we all love. If you are aware of any items in need of repair we might overlook, please forward an e-mail or leave a note on my camper next to the pavilion as a reminder.

Shrimparoo.....

Cooking will start around **4pm** so bring a side dish or dessert and your choice of beverage. **Join in even if you cannot make the workday.** The pots will be full of shrimp, corn on the cob, and sausage. This will be a great day of fun and fellowship. Charge will be 5.00 per person with kids, 16 and under free.

All the Boats & Trailers.....

Have you noticed all the new boats & trailers lately? It is great to have the problems growth brings! I would like to share a few of our rules that will make life easier for everyone...

All trailers or boats must display the last name for identification.

All trailers for boats on the ground or on moorings must be moved to the back lot.

Store paddles in the barn as not to tempt children to use without permission. Ask before using.

Please park cars next to the street as not to block boat access.

Pets must remain on a leash and are not allowed on the deck.

No smoking on the deck or inside any building.

Please report any needed repairs to David McLamb.

New Members.....

Travis & Jennifer Glatki of Myrtle Beach joined the club after purchasing Jim Wimbish's McGregor sailboat.

Neal Taylor of Wilmington along with his daughter Lillian will be sailing an Advance Sweet 16.

Wayne & Tammy Baker joined from Conway and have launched their Gulf Coast 21.

Mark Monterverti of Wilmington is learning sailing on his Catalina 22.

The word is out... WSC is the place to enjoy sailing!
