Any member interested in serving on a committee please contact a committee or board member.

This year we are again asking for volunteers to assist in managing club races. We'll need at least one safety boat each race day and someone to set the course. Two or more persons will be needed to man the committee boat and manage the races. Experienced persons and those willing to learn are welcome.

Something new for this season will be the 2<sup>nd</sup> Saturday sailing social. Members and non-members alike are encouraged to meet at the club and see how many sailboats we can get on the water. Hopefully we can get some of our senior members who no longer own boats back out on the water and at the helm for a few hours one day out of the month. This event will also give members with little or no sailing experience a chance to get out on the water and experience the thrill of sailing. Pack up a picnic lunch or bring some hot dogs and hamburgers and WSC will provide the charcoal and grill. Don't forget to call an in-active member or a friend and bring them along.

Club dues remain at \$250 for the 2008 season. Dues not received by April 1<sup>st</sup> are considered delinquent. A fee of \$10 per month will be added to annual dues for each delinquent month. Club members who are delinquent are not to use the WSC facilities until their dues are up to date.

Those members beginning their second year of membership and have not purchased a share of stock will be required to do so this season.

Club members are encouraged to visit the WSC website. The rules, bylaws and procedures can be found here under the WSC link. A calendar of events, history of the club, race results, forms and applications, etc. can also be found on the website.
