

LUFFIN NEWS – JULY 2008

Fourth of July - Fifty plus members and quests attended the 4th of July celebration. The hot dogs were delicious and the kids and adults loved the ice cream and cake. Afterwards all who remained were treated to a fabulous display of fireworks around the lake.

Thanks to those who attended and assisted with hosting the event. A special thanks to Jim Hutton for providing the 4th of July cake.

Shrimparoo – The largest crowd of the season gathered at WSC Saturday night for our annual Shrimparoo. Approximately 80 members and guests gathered to dispose of 60 lbs. of shrimp and fixings.

A special thanks to Mike Butts and Dean Lewis for preparing the shrimp. Once again our entertainment committee succeeded in providing us with a wonderful evening.

July Race Weekend - Race Committee volunteers are needed for the July 26th & 27th race weekend. Thus far only racers and their mates have participated. Those not interested in racing that are willing to assist with race committee duties, **we need your help.**

WSC members interested in racing their boat and in need of a crewmember or anyone willing to crew for someone else please contact race committee chairman, Paul Jueschke (pjsailorman@hotmail.com), or Davidsessoms570@cs.com.

July Scheduled Events – Don't miss the potluck dinner Saturday the 19th at 6:00 PM. We'll be celebrating several birthdays.

Bring your own meat to the race weekend Saturday evening social. WSC will provide the sides. Social hour starts at 6:30 PM.

Boat Storage – There has been little or no response from those who have boats and trailers on the front lot that are not being used. **Your board works hard to keep WSC up and running and shouldn't be tasked with moving other member's boats and trailers to the back lot.** The Isotope Regatta will be held in August and the Lightning's will be here in September. **WSC will need extra space for these events so please move your boats from the front lot if they are not being used on a regular basis.**

New Members – Welcome to new members Jim and Paula Blanchard, Glen and Kim Driggers, Ken and Sally Fore and Patrick Kear.

Prospective Members – Recently a club member was approached by a non-member sailor seeking permission to launch a sailboat at the club. This issue was discussed at the July board meeting. If a non-member sailor requests to launch and appears to be of good character and possibly a prospective member allow them use of the facility **after they have signed the guest book and waiver.** Please sign your name as their sponsor. This is sailboat specific.

Feel free to give any prospective member a tour of the club and answer any questions they may have. The guest book is located inside the kitchen in a black binder beside the microwave. Membership applications are also in the binder.

4-Sail - Valerie and Greg Georgevitch have a **1987 Catalina 22 for sale @ \$4,750.** Club members with items for sale or trade that relate to sailing, boating, parts, accessories, etc. let me know and I'll post them in the newsletter. Related items can also be listed on the club website.

Web Page – For those of you who haven't visited the WSC website lately Rudy Tatum has posted some new pictures. Members that would like photos posted on the club website contact Rudy Tatum at **rtatum487@earthlink.net.**

Stock - Those members beginning their second year of membership and have not purchased a share of stock will be required to do so this season.
