

Mooring Policy
4/26/04
Waccamaw Sailing Club

1. Waccamaw Sailing Club Inc accepts **NO** responsibility for the maintenance of any member mooring or damage done by or to any boat placed on such moorings.
2. The owner of any boat placed on any mooring accepts full responsibility for any damage done by or to any boat on that mooring and for proper maintenance of that mooring.
3. The owners of any mooring or any boat secured to that mooring will make themselves aware of and comply with all state regulations concerning moorings. (Names and numbers)
4. The Waccamaw Sailing Club Inc will maintain a priority waiting list of those members wishing to secure a mooring. This list will be maintained in the order in which the requests were presented to the WSC governing board.
5. Should a mooring become available, the board will consider the member at the head of the waiting list. The board will strongly consider the member's participation at WSC.
6. Prior to granting the States ingress/egress permit, WSC will contract with the member to insure that the State mooring permit will be canceled should the member:
 - a. Terminate membership in WSC.
 - b. Fail to maintain his mooring and/or boat.
 - c. Not use the mooring for a full year. (Loan = use)
 - d. Fail to visit the club or use his moored boat.
 - e. Fail to follow all state regulations (numbers and names).
7. Any boat or mooring declared a nuisance or a derelict can be removed from the lake by the WSC Board, at the owners

- expense, 30 days after notice or immediately in emergency situations.
8. The trailer of any boat on a mooring shall be removed from the front lot.
 9. Should a loan mooring become available to WSC, WSC will attempt to put the mooring owner in touch with the member at the top of the waiting list. It is then the responsibility of the member to make arrangements with the mooring owner for use of the mooring. Before using the mooring the skipper borrowing the mooring shall inspect the mooring to insure that it is suitable for his use and arrange any upgrades necessary. The skipper using the mooring accepts full responsibility for any damages done to or by his boat.
 10. The order of the waiting list remains unchanged by borrowing a mooring. Should any member on the waiting list lose use of his borrowed mooring the effects will ripple through the list with the last man losing his borrowed mooring.
 11. A mooring owner may choose to loan his mooring to any member (but only a member) without making that mooring available to WSC.
 12. This "Mooring Policy" may be changed at any time by the Waccamaw Sailing Club Board of Directors as provided in the Bylaws Article X Use of Facility.
