I understand that my participation in sailboat racing is solely my decision and is not a requirement to become a member of the club. However, **I do understand that club participation is the reason for my membership. This includes non-racing events as well as assistance in various activities as they regard to club regatta and club sponsored such as race committees, registration, and other committees. I also understand that I will be expected to participate in club facility maintenance activities as well as other duties as they arise from time to time.** I agree to acquaint myself and abide by the club by-laws and in racing by the rules of United States Sailing Association.

First year membership fees consist of a one-time initiation fee of \$250 and the current yearly dues (\$250). The second year a share of WSC stock must be purchased (\$250). **Stock purchase from WSC will carry a transfer restriction.** Stock may also be purchased from a current stockholder.
